The GIAJ Chairman's message to all affected by the earthquake with an epicenter in Noto, Ishikawa Prefecture (translation)

Mr. Giichi Shirakawa, Chairman
The General Insurance Association of Japan (GIAJ)

We wish to express our deepest condolence to the victim and extend our sincerest sympathies to all who were affected by the earthquake with an epicenter in Noto, Ishikawa Prefecture.

We are committed to making swift claim payments through understanding the disaster situation well, and will sincerely respond to customer consultations and inquiries, so that we can serve all affected.

We ask for your continued attention as aftershocks may occur.

We wish all in the affected areas a safe and early recovery.
