The GIAJ Chairman's message to all affected by the 2026 Kumamoto Earthquake (Translation)

On July 28, 2026, Koji Ishikawa, Chairman of the General Insurance Association of Japan (GIAJ), issued the following message:

We wish to offer our heartfelt sympathy to all who were affected by the 2026 Kumamoto Earthquake on July 28, 2026.

We, the general insurance industry, will make every effort to assess the damage promptly, respond to customer inquiries and consultations carefully, and make swift claim payments.

As aftershocks and/or secondary disasters may occur, we would like to ask for your ongoing caution and strongly advise making your own safety a top priority.

We wish all in the affected areas a safe and early recovery.
